Drug Testing Release

As part of your supervision with the Old Dominion ASAP, you will/may be required to provide a urine sample to test for illegal substances. You must be prepared to submit a urine sample at each appointment. To avoid submitting an abnormal adulterated or diluted specimen, you must adhere to the following guidelines.

1. Drink no more than 8 ounces of liquid every ½ hour to submitting a urine sample.
2. Advise your Case Manager of any prescription or over-the-counter medications you may be taking. Be prepared to provide a valid prescription for prescribed medicines.
3. Wash your hands thoroughly with soap and water prior to providing the urine sample.
4. **Be aware that all urine screens will be observed by your Case Manager or other program staff.**
5. Failure to provide a valid urine sample at the time of request will result in your case being returned to court as non-complaint.

It is a violation of Section 18.2-251.4 of the *Code of Virginia* to adulterate or substitute urine with the intent to defraud such a test. Such an offense is a Class 1 Misdemeanor, punishable by up to 12 months in jail and a fine of up to \$2,500.00. Your case can be returned to court in violation if you submit an abnormal, adulterated, or diluted urine sample. If the above-mentioned steps are followed you will have no problem submitting a valid urine sample for testing.

I understand that I am responsible for the cost of all drug tests. This includes any fee charged for confirmation testing. if I choose to contest the results of a test conducted by Old Dominion ASAP Staff.

I acknowledge that I have read and understand the above information. I understand the consequences if I fail to submit a valid urine sample for testing.
